DISCLAIMER - This is only a proposal for insurance, and is not an insurance policy, or part of or incorporated into an insurance policy. It only provides an estimate of premium, not the final premium amount. The coverages summarized in this quote proposal and any estimate of premium are based on information received through the prospective insured and may not include all available coverages. Coverage descriptions are abbreviated and do not indicate in force coverage. The need for any additional or optional coverages should be discussed with your insurance agent. The issuance of an insurance policy contract with the actual premium amount is contingent upon the application of underwriting criteria and is subject to rates approved or mandated by the appropriate state regulatory authority. Only the insurance policy would provide coverage and its terms and conditions supersede this proposal. In the event of any conflict between this proposal and the policy language, the policy language would prevail.
